### *Fiscal Transparency and Details*

We'd like to thank the good folks at **Pacific West Bank** for stepping up early as our valued event partner. In addition, thanks to the **LO Review** for assisting our benefit driven events, and you - our sponsors, in gaining maximum exposure.

Sponsor funds are used to produce (hiring talent, equipment and technicians), promote and advertise each event. Your generous pre-event sponsorship enables us to maximize the amounts donated to the following non-profit organizations.

We are excited to partner up with the **Lakewood Center for the Arts** to provide an ongoing "*Lakewood Live Music Series*," a semi-annual musical fundraising opportunity with 50% of all ticket sales donated to the Lakewood Center.

As a result of Pacific West Bank expanding their promotional efforts to spotlight students, we are able to partner with the **LOSD Foundation** to produce the "*LO's Got Talent/Student Artist Showcase and Gallery*." Thanks to your generous sponsorship support 100% of all admission fees and live auction proceeds are going directly to the LOSD Foundation. The Foundation funding pays for additional teachers, thereby reducing the class sizes for our LOSD students.

Thanks for considering to be an important part of our long term commitment to present quality, all ages music in Lake Oswego, while building a sense of community and helping worthwhile non-profits to sustain their offerings.

Sincerely,

Daniel and Deborah Work
